SOFTBALL

SWA Diamond Divas Softball, is a non-profit organization dedicated to providing young ladies the opportunity to play softball at a more competitive level. We are a part of South Williamson Athletics who offers a strong recreational softball program in the Williamson County area with our fields located in the heart of Spring Hill, TN. SWA Softball is operated completely by community volunteers, including our governing board. Our goal with our team is to help these young ladies learn the importance of hard work, dedication, setting and achieving goals all while building and respecting the true value of being apart of a team. Our hope is by showing them the importance of these core values they will continue to use them off the field and throughout their lives as they grow into strong young woman. These young ladies will participate in a minimum of 60 games over the course of the spring, summer, and fall season.

Each player pays a fee to be a member of our team, however, in the world of travel softball there are many more expenses to cover to compete at this level. To ensure each and every young lady who makes the team has the ability to participate, we reach out to sponsors to help offset cost for equipment, tournament fees, uniforms, training, and program fees. This allows us to keep cost for their families down and allows the player the opportunity to participate in a truly amazing experience playing travel softball.

We provide a drug, alcohol, and tobacco free environment in which our players can flourish. Listed below is an outline of our sponsorship program for SWA Diamond Diva Softball. This outline shows minimum amounts for a sponsorship but any amount would be greatly appreciated and may be tax deductible as either advertising or as a donation. Feel free to contact us if you have any questions regarding participation. Your support is greatly appreciated by our players and they could not do this without organizations like you!
